

## Perfecting the LED Retrofit

*The Highest Standard of Product  
Performance and Service*

Efficiently illuminating thousands of  
USA facilities

### 1) PRODUCT QUALITY MATTERS

We design our LED products, we test them, we make them, and we warrant them. Because our customers know that the most expensive product is the one that fails.

FIVE+ YEARS OF SUCCESSFUL INSTALLS

### 2) WE'RE EASY TO DO BUSINESS WITH

- \* Excellent product specialists are a call away; 678-867-9200.
- \* Customized solutions to problem-solve any application.

Product Made on Demand, JIT, in the USA

We're holding your Safety Stock in ready-to-assemble components

### 3) WE ARE HONEST

- \* We deal with honest people on honest terms.
- \* We do what we say.

*Let's Partner ...and take the chaos out of your business!*
